

Hingham Pride Project

Formed in 2019, the Hingham Pride Project aims to promote awareness and acceptance of individuals based on sexual orientation, gender identity, and gender expression, in our local communities. We also seek to support and create community programs and activities that benefit members, including youth, that identify as lesbian, gay, bisexual, transgender, queer, non-heterosexual, non-binary, or non-cisgender (LBGTQIA+).

To thank you for your support, we offer the following benefits to our donors:
